INDEPENDENT AUDITORS' REPORT

Board of Directors
Johnston Memorial Hospital Foundation
Smithfield, North Carolina

We have audited the accompanying financial statements of Johnston Memorial Hospital Foundation (the Foundation), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Johnston Memorial Hospital Foundation

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**JOHNSTON MEMORIAL HOSPITAL FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Johnston Memorial Hospital Foundation (the Foundation) is a nonprofit organization that was incorporated in North Carolina on December 4, 1992. The Foundation was established to improve the health of the people in its community by supporting the programs and activities of Johnston Health in Johnston County, North Carolina, and surrounding areas.

The Foundation is governed by a board of directors. The board of directors of the Foundation authorizes supporting distributions to Johnston Health.

Basis of Presentation

The accompanying financial statements of the Foundation have been prepared on the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America as applicable to nonprofit organizations.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Management considers all cash and highly liquid financial instruments with original maturities of three months or less to be cash and cash equivalents.

As of June 30, 2021 and 2020, the Foundation had approximately \$1,911,000 and \$1,356,000, respectively, of cash and cash equivalents and investments which are restricted by third-party donors or board-designated restrictions.

Promises to Give

Promises to give are recognized when a donor makes a promise to give that is, in substance, unconditional. The Foundation records unconditional promises to give expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques. In subsequent years, amortization of the discounts is included in contribution revenue in the accompanying statement of activities. Management determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections.

Investments

The Foundation records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statement of financial position. Net investment gains and losses are reported in the statement of activities and consist of interest and dividend income, realized and unrealized capital gains and losses, less investment management and custodial fees.

**JOHNSTON MEMORIAL HOSPITAL FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Beneficial Interest in Assets Held by Community Foundation

The Foundation has an endowment fund held in trust by the North Carolina Community Foundation. Income from the endowment fund is available to be distributed annually for the general operating support of the Foundation.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Without Donor Restrictions – Net assets without donor restrictions include net assets available for use in general operations, and include any funds designated by the board of directors for specific purposes.

With Donor Restrictions – Net assets with donor restrictions represent resources subject to donor restrictions that are either restricted in perpetuity, time restricted, or restricted for certain purposes.

Revenue Recognition

The Foundation follows Financial Accounting Standards Board Accounting Standards Codification (ASU) No. 2014-09, *Revenues from Contracts with Customers (Topic 606)*, which requires the recognition of revenue when promised goods or services are transferred to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. The Foundation also follows ASU No. 2018-08, *Not-for-Profit Entities: Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made*, as management believes the standard improves the usefulness and understandability of the Foundation's financial reporting.

Contributions

Contributions are recorded as either support without donor restrictions, or support with donor restrictions depending on the existence and/or nature of any donor-imposed restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net asset with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

**JOHNSTON MEMORIAL HOSPITAL FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to the Foundation's program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. Donated professional services are recorded at the fair values of the services received. Contributions were received as in-kind advertising, salaries and benefits, and other departmental expenses from Johnston Health (See Note 9), and other in-kind amounts from various other donors.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. These include payroll and related expenses, which are allocated based on time spent during the year as determined by management. Other costs are directly recorded based on which category the expense relates to.

Uniform Prudent Management of Institutional Funds Act

During fiscal year 2009, the Uniform Prudent Management of Institutional Funds Act (UPMIFA) became effective in the state of North Carolina. Under UPMIFA, all unappropriated endowment funds are considered restricted. The Foundation adopted the provisions of the financial accounting standard for endowments of nonprofit organizations (the UPMIFA Standard) with respect to the accounting for the corpus and income recognition on endowment funds.

Income Taxes

The Foundation is exempt from federal and state income taxes as a nonprofit corporation under Internal Revenue Code Section 501(c)(3), and is not a private foundation. Accordingly, the financial statements do not reflect a provision for income taxes. The Foundation is subject to a tax on income from any unrelated business.

The Foundation follows guidance in the income tax standard regarding the recognition and measurement of uncertain tax positions. The guidance has no significant impact on the Foundation's financial statements.

Reclassifications

Certain amounts in the 2020 financial statements have been reclassified to conform to the 2021 presentation with impact to previously reported total net assets.

Subsequent Events

The Foundation has evaluated subsequent events through October 15, 2021, the date the financial statements were available to be issued.

**JOHNSTON MEMORIAL HOSPITAL FOUNDATION

JUNE 30, 2021 AND 2020**

NOTE 2 REVENUES

Contributions and Special Events

To determine revenue recognition for the arrangements that the Foundation determines are within the scope of Topic 606, *Revenue from Contracts with Customers*, the Foundation performs the following five steps: (1) identify the contract(s) with a customer, (2) identify the performance obligation(s) in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligation(s) in the contract, and (5) recognize revenue when the Foundation satisfies a performance obligation.

Performance obligations are determined based on the nature of the services provided by the Foundation. Revenue that consists of performance obligations satisfied at a point in time is generally recognized when criteria for the contract have been achieved, or when specific events have occurred, and when there are no additional services related to that obligation.

Special event revenue is comprised of an exchange element based on the value of benefits provided, and a contribution element for the difference between the total cost to attend the event and the exchange element. The foundation recognizes the exchange portion of the cost to attend the event at the time the event takes place and the contribution portion immediately. Revenue recognized from special events totaled approximately \$9,200 (exchange element) which is included in the special events line of the statement of activities and \$217,000 (contribution element) which is included in the contributions line, respectively, of the statement of activities for the year ended June 30, 2021. Revenue recognized from special events totaled approximately \$34,000 (exchange element), which is included in the special events line of the statement of activities and \$157,000 (contribution element) of which approximately \$145,000 and \$12,000 is included in the contributions and gifts in-kind lines, respectively, of the statement of activities for the year ended June 30, 2020.

The Foundation recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met. Revenue recognized from contributions, including those from special events totaled approximately \$859,000 and \$694,000 for the years ended June 30, 2021 and 2020, respectively.

NOTE 3 FAIR VALUE MEASUREMENTS AND DISCLOSURES

The Foundation reports certain assets and liabilities at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity.

**JOHNSTON MEMORIAL HOSPITAL FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020**

NOTE 3 FAIR VALUE MEASUREMENTS AND DISCLOSURES (CONTINUED)

Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Foundation can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

Level 3 – Unobservable inputs for the asset or liability. In these situations, management develops inputs using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to the quality, risk or liquidity profile of the asset or liability.

The following table presents assets measured at fair value on a recurring basis at June 30, 2021:

Beneficial Interests in Assets Held by North Carolina Community Foundation:	\$ 208,700	\$ -	\$ -	\$ 208,700

Below is a reconciliation of the beginning and ending balance of assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) for the years ended June 30:

	2021	2020
Balance, Beginning of the Year	\$ 208,700	\$ 216,700
Net Realized and Unrealized Gain	64,257	852
Purchases, Sales, Issuances and Settlements (Net)	(9,485)	(8,852)
Balance, End of the Year	\$ 263,472	\$ 208,700

The fair value of the beneficial interest in assets held by the North Carolina Community Foundation (NCCF) is based on the fair value of fund investments as reported by the NCCF. These are considered to be Level 3 measurements. There were no transfers in and out of Level 3 investments during the years ended June 30, 2021 and 2020.

NOTE 6 BENEFICIAL INTEREST IN ASSETS HELD BY OTHERS

The Foundation has an endowment fund held in trust by the NCCF. Income from the endowment fund is available to be distributed annually for the general operating support of the Foundation. While the stated intention of the agreement is for the principal to remain undistributed, the principal may be distributed at the Foundation's discretion. As of June 30, 2021 and 2020, this fund had a value of approximately \$263,000 and \$209,000, respectively.

NOTE 7 ENDOWMENTS

The Foundation's endowment includes funds designated by the board of directors to function as an endowment. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the board of directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The board of the Foundation created a quasi-endowment with a financial institution to benefit the Foundation. Income from the quasi-endowment is available to be distributed annually for general operating support of the Foundation. The principal may be distributed at the Foundation's discretion.

The Foundation is subject to UPMIFA and, thus, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions until the board of directors appropriates such amounts for expenditure and any other purpose restrictions have been met. The board of directors of the Foundation has interpreted UPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to an endowment fund, unless a donor stipulates the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Foundation considers a fund to be underwater when the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Foundation has interpreted UPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. Additionally, in accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and appreciation of investments
- Other resources of the organization
- The investment policies of the Foundation

NOTE 7 ENDOWMENTS (CONTINUED)

The Foundation has a total return spending policy that allows the Foundation to receive distributions of income up to the total received, without affecting corpus. These distributions follow donor restrictions and guidelines within the Foundation's programs.

Endowment Fund Not Included in Foundation's Financial Statements

In 2003, an outside party created the Cara Lee Powell Priest Endowment Fund with the NCCF. Because the NCCF has variance power, this fund is not recorded on the Foundation's financial statements. The fund is a permanent endowment with only the net income of the fund being distributed to the Foundation for general operations. During both the years ended June 30, 2021 and 2020, the Foundation received distributions of approximately \$6,400 from this fund.
